

# Experience the Japanese tradition and beauty ~Bugaku and National Museum~ 感動のそばに、いつも。 JTB

## Bugaku, hands on experience to feel the aesthetics of the samurai.

**Bugaku** is a comprehensive art form themed around the “beauty of martial arts” cherished by the samurai. It fuses the techniques of martial arts with traditional cultural practices such as Noh and the tea ceremony. As a new genre of performing arts Bugaku aims to contribute to character development and the realization of a peaceful and beautiful world through performances and hands-on experiences. On this tour, you will learn and experience the allure of Bugaku. In this workshop you will practice movements using a sword and enjoy an authentic Bugaku stage performance. Witness the powerful and dynamic display that blends tradition with innovation, offering an opportunity to appreciate the aesthetics of Bushido up close.
